Impact of Electronic Resources on Academic Scholarly Users

MIAO Rong (Nantong Teachers' College Library, Jiangsu 226007)

Abstract: The behavior of library users accessing information resource has changed a great deal along with the development of electronic resources. This paper analyses the impact of electronic resources on academic scholarly users' reading behavior based on the reading habits of the school faculty and the differences between disciplinary subjects in using electronic resources.

Keywords: Electronic resources, User behavior, Reading behavior
