#### Livestock Grazing Distribution: Considerations and Management

Robert K. Lyons and Richard V. Machen

- [Full Text](#)

This publication explains the factors affecting livestock grazing distribution and discusses ways to improve it. It also reports the results of a study that used Global Positioning System collars to pinpoint the movement of cattle on various rangelands.

#### Texas Water Resources Institute

1500 Research Parkway A110  
2260 TAMU  
College Station, TX 77843-2260

TWRI and the [Texas A&M Institute of Renewable Natural Resources](#) are working together to foster and communicate research and educational outreach programs focused on water and natural resources science and management issues in Texas and beyond.
