Journal of Water and Climate Change

ISI Journal Impact Factor for 2012: 1

Editors: Sankar Arumugam, North Carolina State University, USA
Rutger de Graaf, Rotterdam University of Applied Sciences, The Netherlands
Shaleen Jain, University of Maine, USA
Junguo Liu, Beijing Forestry University, China
Chris Perera, Victoria University, Australia

Journal of Water and Climate Change publishes refereed research and practitioner papers on all aspects of water science, technology, management and innovation in response to climate change, with emphasis on reduction of energy usage.

Note to contributors: All manuscripts should be submitted electronically through our Online Submission and Peer Review System.

IWA Publishing Open
IWA Publishing Open is a new service which gives authors the option of having their accepted paper made freely available online immediately on publication. Click here to find out more about IWA Publishing Open.

Acknowledgement to Reviewers
The high scientific standards maintained by the journal in its papers owe much to the continuing dedication of the journal's reviewers, who give freely of their time and expertise. IWA is pleased to pay tribute to this contribution by recognizing those who have participated in the review process. A full list of those who reviewed papers for the journal last year can be found here.
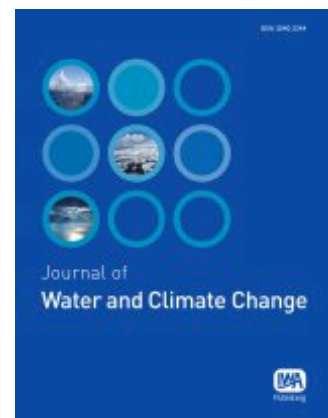

Indexed/Abstracted in:
Science Citation Index Expanded (also known as SciSearch(r)), Journal Citation Reports/Science Edition, Current Contents(r)/Agriculture, Biology, and Environmental Sciences
