

TR-23 Vol. 2

Requirements for the Effective Use of the Water Resources Scientific Information Center (WRSIC) -- Determined by Field Evaluation

J. B. Herbich, E. B. Smith, J. D. Benson

- [Full Text](#)

Supplementary information and supporting data for the main report (Volume I) is presented in this second volume. All questionnaire forms and related material, as well as a complete report of the case study phase are included in Appendix I. Other appendices contain detailed listings of the narrative responses received for questions on the questionnaires. Tables which present a variety of statistical data pertinent to the study are also included.
