

Water Quality Research Journal of Canada

Official Journal of the [Canadian Association on Water Quality](#)

ISI Journal Impact Factor for 2012: 0.25

Editor: R. Gehr, McGill University, Canada

The Water Quality Research Journal of Canada is a forum for original research dealing with the aquatic environment. The journal publishes peer-reviewed, scholarly articles dealing with the aquatic environment. Articles from outside of Canada are welcome provided that they are of interest to the Canadian water quality research community.

Note to contributors: All manuscripts should be submitted electronically through our [Online Submission and Peer Review System](#).

Indexed/Abstracted in:

[Acknowledgement to Reviewers](#)

The high scientific standards maintained by the journal in its papers owe much to the continuing dedication of the journal's reviewers, who give freely of their time and expertise. IWA is pleased to pay tribute to this contribution by recognizing those who have participated in the review process. A full list of those who reviewed papers for the journal last year can be found [here](#).
