

## **ANNOUNCEMENT**

The article entitled "A study of Ostracoda (Crustacea) species found in Lake Eğridir (Isparta)" published in Turkish Journal of Zooloji, 25:431-439(2001) by Dr. Altınşanlı has been withdrawn from publication upon suggestion of TUBITAK Science Board. The decision is based on the TUBITAK Research and Publication Ethics Board resolution which found the mentioned article in violation of ethical conduct defined as "duplication" in Clause 8.a of the Research and Publication Ethics Board's working principles.
