

CAG Triplet Repeat Disorders (GRS)

Gordon Research Seminar

CAG Repeat Expansion Diseases: From Basic Mechanisms to Translational Science

Dates

June 3-4, 2017

Organizers

Chairs:

Andreas Neueder & Colleen A. Stoyas

Location

Mount Snow
West Dover, VT

Application Deadline

Applications for this meeting must be submitted by **May 6, 2017**. Please apply early, as some meetings become oversubscribed (full) before this deadline. If the meeting is oversubscribed, it will be stated here. *Note:* Applications for oversubscribed meetings will only be considered by the Conference Chair if more seats become available due to cancellations.

GRS Speaker Abstract Deadline: Although applications will be accepted until the date noted above, any applicants who wish to be considered for an oral presentation should submit their application by **March 3, 2017**. Please refer to the application instructions in the *Meeting Description* section below for more details (if available).

Meeting Description

Overview

The Gordon Research Seminar on CAG Triplet Repeat Disorders is a unique forum for graduate students, post-docs, and other scientists with comparable levels of experience and education to present and exchange new data and cutting edge ideas.

The focus of the this GRS is to bring together young scientists from around the world to present and discuss their recent findings on the mechanisms of pathology underlying CAG triplet repeat disorders, as well as on advancements in how to combat these diseases. The meeting will feature a keynote presentation, data presentations from young scientists, and poster presentations. Throughout the meeting, attendees will have the opportunity to engage with peers and discuss different career options while networking with mentors from academia and industry.

Application Instructions

The meeting will feature approximately 10 talks and 2 poster sessions. All attendees are expected to actively participate in the GRS either by giving an oral presentation or presenting a poster. Therefore, all applications must include an abstract.

The Chairs will select speakers from abstracts submitted by **March 3, 2017**. Those applicants who are not chosen for talks and those who apply after the deadline to be considered for an oral presentation will be expected to present

a poster. In order to participate, you must submit an application by the date indicated in the *Application Deadline* section above.

Program Format

Saturday

- Introductory Comments: 3:30 pm - 3:45 pm
- Introductory Science Session: 3:45 pm - 4:30 pm
- Poster Session I: 4:30 pm - 6:00 pm
- Dinner: 6:00 pm - 7:00 pm
- Evening Science Session: 7:30 pm - 9:30 pm

Sunday

- Breakfast: 7:30 am - 8:30 am
- Morning Science Session: 9:00 am - 11:00 am
- Poster Session II: 11:00 am - 12:30 pm
- Lunch: 12:30 pm - 1:30 pm
- Concluding Science Session: 1:30 pm - 2:30 pm
- Evaluation Period: 2:30 pm - 3:00 pm
- Program for related GRC begins: 6:00 pm

Related Meeting

This GRS will be held in conjunction with the "**CAG Triplet Repeat Disorders**" **Gordon Research Conference (GRC)**. Those interested in attending both meetings must submit an application for the GRC in addition to an application for the GRS. Refer to the [associated GRC program page](#) for more information.

Preliminary Program Outline

An outline of the program components for this GRS is displayed below. The Conference Chair is currently developing their detailed program schedule, which will include the speakers they select from submitted abstracts, in addition to any additional components outlined below. The detailed program will be available by **April 3, 2017**. Please check back for updates.

Keynote Speaker

- **Leslie Thompson** (University of California, Irvine, USA)

Speakers

- *To Be Selected from Submitted Abstracts*

Discussion Leaders

- *To Be Selected from Submitted Abstracts*
